

2016-2017 ANNUAL REPORT

OUR MISSION

Assistance League volunteers transforming the lives of children through community programs.

OUR VISION

Essential needs are met in our community and families flourish.

TAG LINE

Transforming Lives • Strengthening Community.

OUR CORE VALUES

Commitment

We believe that providing compassionate and caring services to individuals in communities across the nation is the standard and the primary measure of our organization. We believe we exist for the sole purpose of providing philanthropic services to meet the challenges posed by a diverse array of compelling individual and community needs.

Leadership

We believe that the full measure of our leaders and members is the sum of the products of their vision, professionalism, ethics, sensitivity and the quality of responsiveness to individual needs.

Ethics

We believe that integrity and authenticity in communication and action best demonstrate the most basic, intrinsic values held by member volunteers of this organization.

Accountability

We believe that full accountability is the responsibility of our leaders and members, and is an appropriate expectation of this organization by those who support Assistance League's work and those who receive its services. We believe that this responsibility demands and drives prudent fiscal and physical management, transparent internal and external relationships, viable program assessment and reasoned evaluation of personnel and organizational performance.

Respect

We believe in the intrinsic value of those we serve and of those with whom we serve. We believe that we can best demonstrate our respect for this value by providing fair and equitable treatment for our member and community volunteers, the recipients of our services and our donors and funders.

2016-2017 LETTER FROM THE PRESIDENT

After celebrating a milestone anniversary in 2015, the National Board and Leadership Team took a serious look inward and studied all the reasons why Assistance League has endured for eight decades and continues to prosper well into the 21st century. Dedicated chapter members are, without a doubt, our greatest asset. Our compassionate and hard-working volunteers spread hope and meet essential needs through community programs for underserved children and families across the United States.

One of our major accomplishments this past year was to formulate and adopt new mission and vision statements and a descriptive tagline that has inspired pride and unity among 23,000+ members in 120 chapters. Chapters were quick to incorporate the new logo with the tagline: Transforming Lives • Strengthening Community into their marketing materials, knowing that it's consistent with other Assistance League chapters across the country.

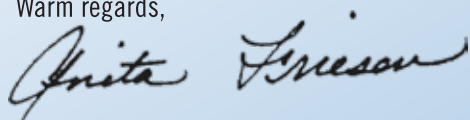

Going hand and hand with the updated branding are dynamic new marketing plans for the national organization, chapters and thrift shops that are comprehensive and user friendly. After the successful rollout of the new national website two years ago, 57 chapters have joined the national multisite (website) and had their website development subsidized by the national organization. We also have an updated database for national and chapter use. All this is part of navigating change and driving growth for the future.

Other accomplishments include a corporate partnership with Target for the purchase of gift cards; a new definition for our signature program Operation School Bell® to cover new clothing as well as health assistance; and literacy, cultural and higher education enrichment, all very important when helping children succeed in school.

I'm also proud to report Assistance League chapters made a major literacy contribution to disadvantaged children in our service areas by collecting and distributing 500,000 books in five years to local schools and other organizations through Make A Difference Day, the USA TODAY initiative that earned Assistance League award-winning national recognition. Following the success of our final 2016 event, the National Board approved Assistance League's Legacy of Literacy starting in 2018 to collect books and host literacy projects under our name.

It has been an honor to serve as National President of Assistance League. Every year brings new challenges and opportunities to help our neighbors in need. My sincere gratitude to everyone who meets the challenge with optimism.

Warm regards,

OPERATION SCHOOL BELL AWARDS

JUNE 1, 2016 - MAY 31, 2017

This award is available for presentation by a chapter, auxiliary or chapter in formation. It is conferred by the national organization to honor those in the community who, through significant financial, in-kind or service support, have had a direct, powerful and positive effect on Operation School Bell. National Assistance League recognizes the following 2016-17 recipients (June 1, 2016-May 31, 2017). Assistance League congratulates the recipients and thanks them for their support and advocacy.

Assistance League of East Valley – Michael A. Pollack, a well-known philanthropist in the Phoenix area, received the award for years of varied support for the chapter's Operation School Bell program. October 21, 2016

Assistance League of Bend – Tim and Kathy Garling, owners of Jackalope Grill, for their support to help the chapter raise funds for its Operation School Bell program. November 5, 2016

Assistance League of Southwest Washington – Peggy Hays, recently retired from the state's Department of Social and Health Services, for her years of serving as liaison between the department and the chapter's "JUST because..." program to clothe foster children in Clark County, Washington. The state agency provided space for the chapter to keep a fully stocked closet with all new garments for children placed in foster care in need of clothes and entering school the next day. December 5, 2016

Assistance League of Kansas City – The Irven E. and NeVada P. Linscomb Foundation for 19 years of generous financial support that clothes at least 250 children each year. January 31, 2017

Assistance League of the Bay Area – United Way of Greater Houston – Bay Area Center, for free meeting space and a home for the chapter's Operation School Bell dressing days. Their generosity as a community partner provided a centralized location for the school districts served, adequate parking, waiting rooms, multiple restrooms and space to set up 14 dressing rooms, reducing the time students had to wait for their turns. Over 1000 students were served. April 1, 2017

Assistance League of the Columbia Pacific – NIKE – Seaside Outlet and their manager **Mike Burke** for over seven years of Operation School Bell shopping events for young men in the chapter's county schools. Mike and the employees made the shopping events fun by providing music, and allowing pizzas, sandwiches and beverages donated by local restaurants to be brought in for the boys to eat after shopping. Great sales gave the youngsters more clothes for the money allotted them to spend. May 4, 2017

Assistance League of Greater Cincinnati – Mary Ronan, Superintendent of Education, Cincinnati Public Schools, for nine years of continuous support to the chapter's Operation School Bell program in more ways than there is room to report. May 5, 2017

Assistance League of the Eastside -- Bob Clough, a community volunteer, for his enormous contribution to the chapter's Operation School Bell program, developing an application that streamlines and improves the efficiency of the in-store check in process. Bob received no monetary compensation for his time. May 6, 2017

Assistance League of Salt Lake City – Rob and Allan Dahle for four years of delivering a grand total of 16,634 bags of clothing to the schools the chapter serves. They took time from their work schedules to meet the yearly November 1 deadline for all schools to have their needed clothing. May 15, 2017

Left to right: Roci Candelaria, Operation School Bell Chairman; Judy Jackson, General Manager JCPenney Riverside; and Bobbi d'Arc, President, Assistance League of Riverside.

OPERATION SCHOOL BELL AWARDS

JUNE 1, 2016 - MAY 31, 2017

Assistance League of Huntington Beach – Matt Liffreing for the way his videos of the chapter's Operation School Bell program over the past five years (and shown over the city's local TV station) have brought attention and increased donations to the program. The videos have also shown the program's positive impact on the students the chapter serves. May 15, 2017

Assistance League of Montgomery County – Walmart Supercenter #3390 for being a remarkable partner, helping the chapter for the past five years to clothe thousands of children during their retail clothing sessions. Two of the store's young cashiers, now attending college, wanted to help because they were once recipients of the chapter's Operation School Bell program. May 15, 2017

Assistance League of Charlotte – Jeff Swartz, Community Business Development Manager for the Morrison Place Barnes & Noble store in Charlotte, for helping the chapter place thousands of books in the hands of children in the Charlotte community for over 10 years. May 17, 2017

Assistance League of Los Gatos-Saratoga – Natalie Birthelmer, Community Business Development Manager at Barnes & Noble's store on Stevens Creek Boulevard for her outstanding efforts contributing to the success of the chapter's Literacy Program. May 17, 2017

Assistance League of Sierra Foothills – El Dorado County Office of Education for its assistance in 2010 to provide the chapter with the number of homeless children (86) in four schools so the chapter could clothe them with organized shopping events. Currently the chapter contacts 35 schools in four school districts and in 2016/17 clothed 736 children. Without the continuous support from the El Dorado County Office of Education the chapter's program would not be as effective as it is. May 17, 2017

Assistance League of Riverside – JCPenney Riverside and Moreno Valley stores for working with the chapter to clothe children in need. The stores sell discounted gift cards to the chapter and give additional 25% "friend and family" discounts on the shopping days enabling the children to purchase more school clothes than the gift cards would normally buy. May 17, 2017

Assistance League of the Triangle Area – NVIDIA Corporation runs an online campaign through Kits for Kidz where employees select primary or elementary kits to donate to a local nonprofit. The bundle includes a backpack and school supplies. The local NVIDIA office matches their employees' donations. For the past ten years Assistance League of the Triangle Area has been the nonprofit of choice receiving an average of 200 kits per year. The value of a kit for the chapter is \$20, or \$4,000 annually, allowing the chapter to increase the number of students they clothe through their Operation School Bell program. May 18, 2017

Assistance League of Coppell – Young Men's Service League for donating over \$1000 worth of new school clothing for the last three years to supplement the chapter's inventory for their Operation School Bell program. In collecting the new clothes the YMSL have given over 100 hours of their time to the chapter. May 18, 2017

Assistance League of Long Beach – Uniforms Direct, Inc. and owners **Corrine and Gary Baggett**, for continuous hands-on help to work with the chapter to provide school uniforms in a timely manner for Long Beach children in need. May 22, 2017

Assistance League of Greater San Diego – Bookstar Point Loma for partnering with the chapter to raise books to give to each child the chapter clothes in its Operation School Bell program. May 22, 2017

Assistance League of Inland North County – Marvin Gilbert for the variety of ways he continues to serve the chapter's Operation School Bell program year after year. May 24, 2017

ASSISTANCE LEAGUE CHAPTER PHILANTHROPIC PROGRAMS TRANSFORMING LIVES • STRENGTHENING COMMUNITY

Assistance League chapters transform lives through community-based philanthropic programs focused on basic needs, education and self-esteem. It is the purpose and heart of Assistance League. Chapters and members identify the needs of their own community; then develop, fund and implement programs that are offered to all ages. The signature program of Assistance League, Operation School Bell, provides assistance to children in need with a focus on the five finer points: clothing, food, supplies, literacy and health. The purpose is to provide support to foster the best foundation to help children succeed in school. Other programs may include literacy, health, dental, food, cultural, and/or scholarships. A century-long track record of well-funded and well-staffed programs make Assistance League chapters vital contributors to their communities across the nation.

MAKE A DIFFERENCE DAY CHILDREN'S BOOK DRIVE 2016

In this, the fifth year of participating in the national Make A Difference Day, Assistance League reached its five-year goal of collecting and donating more than 500,000 books in their chapters' local communities. Recipients included local schools, homeless shelters, libraries, pediatric hospitals and other such organizations that serve at-risk children.

As strong believers in the value of literacy, Assistance League member volunteers across the nation embraced Make A Difference Day and made significant contributions to advancing literacy in their community.

CIRCLE FUND

We offer a special thank you and acknowledgment for the generous contributions and support of our donors and sponsors. Most donations are received through Circle Fund, the national organization's fundraiser. Funds received enable Assistance League to realize its mission through educational services to chapters now and in the future. This investment will help create the next generation of Assistance League leaders as well as lay the foundation for growth.

All donations noted are for gifts received in fiscal year 2016-17. Donations are recognized under the following categories: donations "in memory of" a loved one, donations "in honor of" a member of Assistance League, "Circle of Honor" donations and personal donations in support of the 2016-17 Circle Fund.
